

Chess Club Registration Form

Welcome to Lafayette's 2009/2010 Chess Club. We will meet on Fridays in the Library after school. Our first session is January 8 and will run through May 28. We have some great parent volunteers with varying levels of chess knowledge. We are also very fortunate to have Gabriel Armanacas as our instructor.

Chess club will start at 3:25. Students should arrive ready to play. (Restroom and drinking fountain stops should happen before 3:25.) A snack is provided and will typically be pretzels, string cheese and/or fruit. Parents must sign their student out at 4:15 in the library. If other arrangements are made, a written note from the parent is necessary. If an emergency arises and you can not make it by 4:15 you will need to call Bronwyn Gerberding at 206-334-7119 (cell). The school office will be closed.

Chess is a wonderful way to increase critical and strategic thinking while promoting good sportsmanship. Students will have the opportunity to play with Gabe, volunteers and their peers. We will work on putting together some tournaments and an end of year party. We look forward to a fun filled year!

Fee: \$30 which includes about 17 sessions, instruction, handouts, snack and end of year party. **Two checks are needed and should be made payable to:**

\$15 to Gabriel Armanacas

\$15 to LPTA
